Abstract Submission Guidelines

- All abstracts must be submitted electronically only, using the link provided at the end of this page. Abstracts submitted via e-mail, fax or regular mail will neither be accepted nor acknowledged.
- Presenting Authors may submit only two abstracts for each type of presentation.
- The number of abstracts which will be accepted is strictly related to the planned Congress timetable and to the evaluation of the Referees.
- Abstracts must be written clearly in English and submitted prior to November 30, 2026.
- The maximum word limit is 300, excluding the abstract title.
- Figures and tables are not permitted.
- The submission system will generate an acknowledgment of your submission which will be sent to the Presenting Author's e-mail address. Please make sure that you receive the e-mail confirmation after making your submission (please also check your spam or junk folder). If you do not receive the acknowledgment of receipt, kindly inform the Congress Organizers immediately (abstracts@aptsmilan2027.com).

- Notification of acceptance or rejection will be made by the Congress Organizers via e-mail by December 15, 2026.
- The Presenting Author's e-mail address will be used to notify acceptance and to send updated information.
- It is the authors' responsibility to review the submission and correct it. Please proofread your abstract before completing your submission. It will be reproduced exactly as submitted.
- You may copy and paste your abstract in the space provided on the abstract form. Use upper and lowercase characters. Do not use all upper-case letters.
- All inquiries regarding abstract submission should be made to abstracts@aptsmilan2027.com

Abstract Content

Please, make the abstract as informative as possible, and support your conclusions with data. Abstracts texts should be structured to include the following sections:

- Type of abstract
- Title of Abstract
- Background
- Objectives: indicate the purpose of the study
- Materials and Methods: describe pertinent experimental procedures
- Results: summarize the results of the research
- Conclusions: state the main conclusions

Please use standard abbreviations, generic drug names, and place unusual abbreviations or acronyms in parenthesis after first use. Do NOT identify author(s) or institution(s) in the text.
